## **Weather Proof Junction & Utility Boxes In Painted Die-Cast Aluminium**

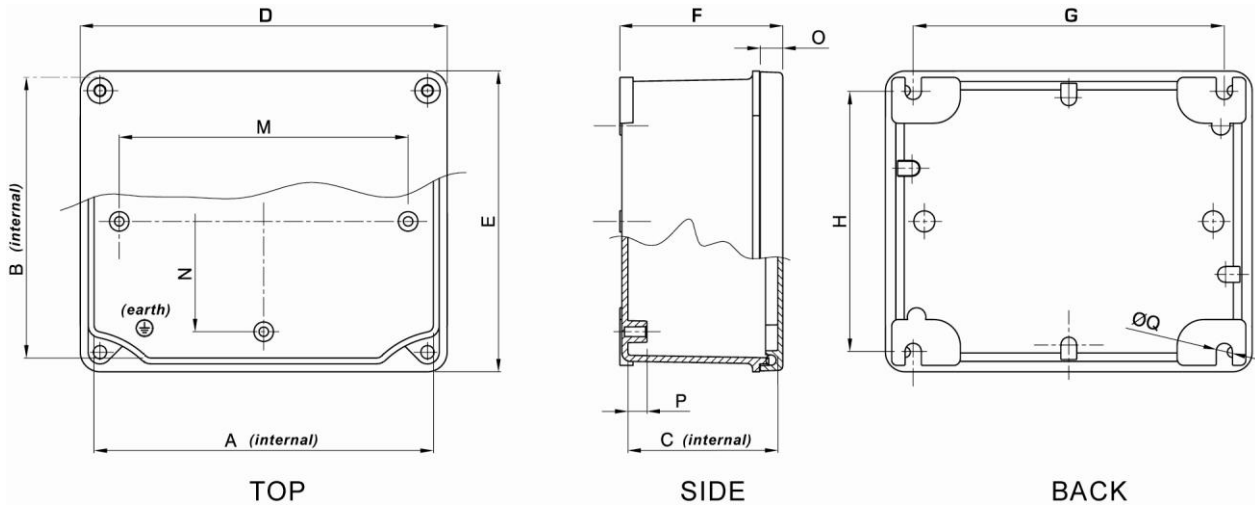

- Made of die-cast aluminium alloy
- Suitable for both indoor and outdoor use
- Surface finished with epoxy polyester coating
- Expanded EPDM gasket on lid forms a continuous seal
- Earthing facilities on base and lid
- Lid fitted with stainless steel double-notched head screws
- Mounting holes provided for back-mounting plate and DIN rail
- The perimeter edge strengthens the walls and provides reference point for positioning single boxes alongside
